

Fabulous Seasonings

Flavour is at the heart of every great product. Our seasoning solutions combine culinary expertise, market insight and innovative flavour creation to help products stand out and keep consumers coming back for more.

NEWLY WEDS FOODS

inspiring new tastes

Seasonings

Seasonings

Custom flavour solutions tailored to meat, poultry, seafood and plant-based products, delivering impactful taste and market-leading appeal.

Glazes

Flavourful coatings that create visual impact, enhance taste and deliver an attractive gloss or caramelised finish during cooking.

Marinades

Developed to infuse products with flavour while improving juiciness, tenderness and overall eating quality.

Rubs

Dry seasoning blends that provide bold flavour, authentic character and an appealing appearance before and after cooking.

Brines

Functional flavour systems that enhance moisture retention, tenderness and yield while delivering consistent seasoning throughout the product.
