

Incredible **Clear Coat Batters**

Showcase the quality of your product with clear coat batter solutions that deliver exceptional crispness and protection while allowing the natural appearance of the ingredient to shine through.

NEWLY WEDS FOODS

inspiring new tastes

Clear Coat Batters

Our clear-coat batter systems create a delicate, crispy bite without masking the product beneath, enhancing both texture and visual appeal.

Particularly suited to potato products, but also chicken, fish, seafood and other vegetables.

They provide excellent adhesion, hold and cook performance while showcasing the quality of the core ingredient.
